Sec. 4. *And be it further enacted*, That the pay prescribed in the next preceding section shall be the full and entire compensation of the several officers therein named, and no additional allowance shall be made in favor of any of said officers on any account whatever, and all laws, or parts of laws authorizing any such allowance shall, on the first day of July eighteen hundred and seventy, be repealed; but this shall not be construed as repealing existing laws

allowing rations and traveling expenses to officers; and their traveling expenses in foreign countries shall be considered to include such expenses of transportation of baggage as were necessarily incurred; but no charge for transportation of baggage in connection with travel in United States shall be allowed. And from and after the thirtieth day of June, eighteen hundred and seventy, so much of the fourth section of the act approved July fourteen, eighteen hundred and sixty-two, "making appropriations for the naval service for the year ending June thirty, eighteen hundred and sixty-three, and for other purposes," as allows to persons in the naval service five cents per day, in lieu of the spirit ration, is hereby repealed; and from and after that day thirty cents shall in all cases be deemed the commutation price of the navy ration.

Sec. 5. *And be it further enacted*, That from and after the thirtieth day of June, eighteen hundred and seventy, the pay of all officers of the navy now on or hereafter placed on the retired list shall, when not on active duty, be equal to one half of the highest pay prescribed by this act for officers on the active list whose grade corresponds to the grade held by such retired officers respectively at the time of such retirement, and no officer, heretofore or hereafter promoted upon the retired list, shall, in consequence of such promotion, be entitled to any increase of pay. And retired third assistant engineers shall continue to receive the same rate of pay they have received up to the time of the passage of this act; and the grade of third assistant engineer on the active list is hereby abolished.

Sec. 6. *And be it further enacted*, That no officer of the navy shall, because of misconduct, be placed on the retired list; but he shall be brought to trial by court-martial for such misconduct; nor shall any lieutenant-commander, lieutenant, master, ensign, midshipman, passed assistant surgeon, passed assistant paymaster, first assistant engineer, assistant surgeon, assistant paymaster, or second assistant engineer be placed on the retired list, except on account of physical or mental disability.

Sec. 7. *And be it further enacted*, That the pay of any officer of the navy, upon his original entry into the service, except where he is required to give an official bond, shall commence upon the date of his acceptance of his appointment; but where he is required to give such bond his pay shall commence upon the date of the approval of his bond by the proper authority; that hereafter the increased pay of a promoted officer shall commence from the date he is to take rank as stated in his commission; but if an officer of a class subject to examination before promotion shall be absent on duty, and by reason of such absence, or of other cause not involving fault on his part, shall not be examined at the time required by law or regulation, and shall afterwards be examined and found qualified, the increased rate of pay to which his promotion would have entitled him shall commence from the date when he would have been entitled to it had he been examined and found qualified at the time so required by law or regulation; and this rule shall apply to any cases of this description which may hereafter occur. And in every such case the period of service of the party, in the grade to which he was promoted, shall, in reference to the rate of his pay, be considered to have commenced from the date when he was so entitled to take rank.

Sec. 8. *And be it further enacted*, That any officer of the navy on the active list below the grade of commander, who, upon examination for promotion, shall not be found professionally qualified, shall be suspended from promotion for one year, with corresponding loss of date, when he shall be re-examined, and in case of his failure upon such re-examination, he shall be dropped from the service.

Sec. 9. *And be it further enacted*, That no promotion to the grade of lieutenant-commander on the active list shall be made until the number in said grade is reduced below eighty; and thereafter eighty shall be the number allowed by law on said list; and when the number of lieutenant-commanders shall have been reduced, section five of the "Act to define the number and regulate the appointment of officers in the navy, and for other purposes," approved July twenty-five, eighteen hundred and sixty-six, shall stand repealed. And as the number of lieutenant-commanders is reduced, the number of lieutenants shall be increased until the number in the grade of lieutenants on the active list shall be two hundred and eighty, which shall thereafter be the number of lieutenants allowed by law on said list.

Sec. 10. *And be it further enacted*, That the number of masters and ensigns on the active list authorized by law is hereby fixed and established at one hundred in each grade; and ensigns shall hereafter be average officers, unless assigned to duty as watch and division officers; but this shall not be construed as vacating the commission of any master ensign new in service.

Sec. 11. *And be it further enacted*, That until the number of passed assistant paymasters shall have been reduced below thirty, there shall be no promotion to that grade, nor any appointment to the grade of assistant paymaster; and after such reduction shall have taken place, the number in each of said grades shall not exceed thirty in the former and twenty in the latter.

Sec. 12. *And be it further enacted*, That the students in the Naval Academy shall hereafter be styled cadet midshipmen; and they shall be selected and appointed as prescribed in the eighth section of the "Act to amend certain acts in relation to the navy," passed March two, eighteen hundred and sixty-seven, and shall be subject to the laws applicable to the students at said academy, and receive the pay therein prescribed; but this shall not be construed to authorize the appointment of cadet midshipmen from among boys enlisted in the navy. When cadet midshipmen shall have passed successfully the graduating examination at said academy they shall receive appointments as midshipmen, ranking according to merit, and may be promoted to the grade of ensign as vacancies in the number allowed by law in that grade may occur.

Sec. 13. *And be it further enacted*, That all acts or parts of acts authorizing the appointment of temporary acting officers in the navy be, and the same are hereby repealed, except as to assistant surgeons.

Sec. 14. *And be it further enacted*, That summary courts-martial may be ordered upon petty officers and persons of inferior ratings by the commanders of navy yards, naval stations, and marine barracks, in the cases under the regulations, and with the effect provided for and specified in the "Act to provide a more efficient discipline for the navy," approved March two eighteen hundred and fifty-five.

Sec. 15. *And be it further enacted*,

That the "Joint resolution to facilitate the settlement of accounts of disbursing officers," approved March two, eighteen hundred and sixty-seven, shall not be construed to apply to the disbursing officers of the navy; but such officers shall render their accounts as the same were rendered before the passage of said joint resolution.

Sec. 16. *And be it further enacted*, That the chiefs of bureaus in the Navy Department shall be entitled to the pay of commodores on shore duty, and, if retired from said office by reason of age or length of service, to the retired pay of that grade.

Sec. 17. *And be it further enacted*, That expenses incurred by any officer of the navy for medicines and medical attendance shall not be allowed unless they were incurred when he was on duty, and the medicines could not have been obtained from naval supplies; or the attendance of a naval medical officer could not have been had; nor shall any funeral expenses of a naval officer, who died in the United States, or expenses of travel to attend the funeral be allowed; but when any officer on duty dies in a foreign country the expenses of his funeral, not exceeding his sea pay for one month, shall be defrayed by the government, and paid by the paymaster upon whose books the name of such officer was borne for pay.

Sec. 18. *And be it further enacted*, That the superintendent of the Naval Observatory be, and the same are hereby, authorized to contract for the construction of a reflecting telescope of the largest size, of American manufacture, at a cost not exceeding fifty thousand dollars; and the sum of ten thousand dollars is hereby appropriated in part payment therefor.

Sec. 19. *And be it further enacted*, That all acts or parts of acts inconsistent with this act are hereby repealed.

DOTY'S WASHING MACHINE

LATESTLY IMPROVED—AND THE NEW

Universal Clothes Wringer

Improved with ROWELL'S PATENT COO-WHEELS and the PATENT STOR, are now unquestionably far superior to any apparatus for washing clothes ever invented, and will save their cost twice a year, by saving labor and clothes.

The editor of the Point Pleasant Register, who has one of these machines thus bears testimony to their worth.

We can knowingly recommend these machines to be just what their manufacturer represents them. We have had them in regular use in our own family for over six months, and we find that all the really hard labor and drudgery of washing is entirely dispensed with by their use. Washing is a neat and pleasant employment for a lady with one of Doty's Washing Machines and Wringers, and we have thought that a millionaire, with no dependent heirs upon whom to bestow his fortune would become one of the greatest benefactors of his race by endowing a fund with which to give one of these Washing Machines to the thousands of overworked washerwomen which we have in our land. Notice the liberal offer made by Mr. Browning in this advertisement. There is no deception in this offer, and we would be willing to guarantee its fulfillment to the letter. Let every family which can possibly do so, buy Doty's Washing Machine and Wringer.

PRICES—A Fair Offer.

If the Merchants in your place will not furnish, or send for the Machines, send us the retail price. Washer \$15. Extra Wringer \$10. and we will forward either or both machines, free of freight, to places where no one is selling; and so sure are we they will be liked, that we agree to refund the money if any one wishes to return the machine free of freight, after a month's trial, according to directions.

No husband, father or brother should permit the drudgery of washing with the hands after two days in the year, when it can be done better, more expeditiously, with less labor, and no injury to the garments, by a Doty Clothes Washer and Universal Wringer.

Sold by dealers generally, to whom liberal discounts are made.
